How to order merchandise from us by mail or fax:

The easiest way to order from us is through our online store at www.ricksteves.com. You may also order by mail or fax with this form, using information from the accompanying **Product List**. Please note that prices and product specifics are subject to change.

1. Please fill out this Order Form.

On the form below, write the code number, name, color/size, price and quantity of each item you want, and your shipping address.

- ✓ **Credit card purchases (Visa, MasterCard and AmEx only):** Be sure to fill in your card information. If purchasing with a **debit card**, please be aware of daily purchase limits that may be set by your bank.
- ✓ **Purchases by check:** Enclose your check in US dollars made out to "Rick Steves' Europe" (see mailing address below).

2. Choose basic, rush, or overseas delivery.

Use the tables below to calculate your shipping charge. We prefer to ship orders within the Continental USA via UPS (street address required). We suggest (but don't require) delivery to business addresses. (Please include the name of the business and suite #.) **"Business Days"** for delivery are non-holiday weekdays (Monday-Friday).

✓ Canadian delivery:

We now ship all Canadian orders via UPS. You must provide a street address for delivery—sorry, no PO Boxes. You should receive your merchandise within **6-8 business days** of the date we receive your order, barring unexpected customs delays.

TAXES & DUTY: At the time you place your order, we'll automatically charge for GST/HST and customs duty and forward those payments to the appropriate agencies. This will appear as a separate line on your receipt. Now, instead of being held at the post office for pick-up, your order will speed directly to you via UPS—with no extra payment due on arrival.
